

Anti-bullying Policy

Revised Spring 2018

Statement of intent

We are committed to providing a caring, friendly and safe environment for all of our children so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are a **TELLING** school. This means that *anyone* who knows that bullying is happening is expected to tell the staff.

What is Bullying?

We define bullying in our Positive Behaviour Policy as 'deliberate and persistent intimidation of another person'. Bullying can be:

- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- Physical pushing, kicking, hitting, punching or any use of violence or unwanted physical contact
- Racist racial taunts, graffiti, gestures
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic because of, or focussing on the issue of sexuality
- Verbal name-calling, sarcasm, spreading rumours, teasing
- Cyber all areas of internet, such as email & internet chat room misuse
mobile threats by text messaging & calls
misuse of associated technology i.e. camera & video facilities

Why is it Important to respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving.

Schools have a responsibility to respond promptly and effectively to issues of bullying.

Objectives of this Policy

- All governors, teaching and non-teaching staff, children, parents and carers should have an understanding of what bullying is.
- All governors and teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported.
- All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.
- As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported.
- Bullying will not be tolerated.

Signs and Symptoms

A child may indicate by signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs and that they should investigate if a child:

- becomes withdrawn anxious, or lacking in confidence
- starts stammering
- attempts or threatens suicide or runs away

- comes home with clothes torn or books damaged
- has possessions which are damaged or " go missing"

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated

Procedures

1. Report bullying incidents to staff.
2. We will ensure that the victim is always supported.
3. In cases of serious bullying, the incidents will be recorded by staff, using pro-forma and given to the headteacher.
4. In serious cases parents should be informed and will be asked to come in to a meeting to discuss the problem.
5. The bullying behaviour or threats of bullying must be investigated and the bullying stopped quickly. We will work on helping the bully (bullies) change their behaviour

Outcomes

1. The bully (bullies) will be asked to genuinely apologise.
2. Sanctions will be applied (in line with our behaviour policy).
3. If possible, the pupils will be reconciled.
4. The parent/s of the bully will be asked to discuss the behaviour with him/her.
5. In serious cases exclusion may be considered.
6. After the incident / incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.
