

A decorative border of small, stylized suns with rays, arranged in a rectangular frame around the text.

Year Two Newsletter - Autumn 2 2020

Dear Parents/Carers

It will soon be the second half of the Autumn Term.

Our topic will be THE GREAT FIRE OF LONDON. We will be looking at the historical facts and the different sources that enable us to know about the Great Fire - including Samuel Pepys' diary and contemporary paintings. The Rainbow Theatre Company has been booked to do an exciting workshop with the children on November 20th.

In Science the children will be investigating materials. They will be exploring ways in which materials are suitable for their purposes. They will be taught how to devise their own tables/charts and continue to develop their idea of fair testing.

Our Art focus will be linked to our topic. The children will explore a range of media to create different 'Great Fire of London' scenes and portraits of Samuel Pepys or Charles II. Our ICT theme is giving simple instructions.

Just a few reminders:

Please continue to help your child to practise their spellings for the weekly spelling test. Could you please help your child with their spelling by encouraging them to 'look', 'write' and 'check' each word. Please read with them as often as possible.

The Year 2 Team
