## Update – Coronavirus

Dear Parents/Carers

Tuesday 24th March 2020

Thank you for your kind messages and words of support for the staff who have been working this week to provide childcare for vulnerable children and those of key workers at Rokesly. We are really proud to be able to support our essential frontline staff to carry out their vital work in this time of national crisis.

Now lock down has been announced, we are limiting the amount of unnecessary travel and contact for staff and we expect that you and your family are doing the same. Because of this, the school office will now be closed until further notice. Please communicate with the school via email.

During this period, we hope you will continue to access the learning materials and links provided for you on the school websites:

Infants: <https://www.rokesly-inf.haringey.sch.uk/rokesly-home-learning-page/>

Juniors: <https://www.rokesly-jun.haringey.sch.uk/homework/>

There are a wealth of activities and resources available. This week we have found the daily PE session really popular with parents and children. If you want to join us for a lively start to the day, you can find the sessions from the Facebook page here:

Although these are difficult times, this could be a great opportunity to share a story with your child. You might like to know that a huge range of audiobooks have been made available for free from Audible: <https://www.audible.co.uk/>

Future arrangements for any families entitled to free school meals will be relayed to you directly by text message.

We want to take this opportunity to wish you all well. We will continue to offer you our help where we can, as we make decisions to protect the health and welfare of our Rokesly families and community.

Best wishes
