Learning is fun and fascinating

We celebrate the things that make us special

We challenge ourselves to go further

♥We are in this together – even when we are all apart♥

Dear Parents/Carers

Friday 3rd April 2020

Hello everyone

I hope you and your families are all well and coping in this most difficult of times.

Over the last two weeks, Rokesly staff have worked a duty rota to provide childcare for vulnerable children and those of key workers at Rokesly. We are really proud to be able to support our essential frontline staff as they carry out jobs that benefit us all.

It is very strange for me to be writing to you at the end of the Spring term, when so many things are different to normal. Usually, we would have been together celebrating the end of a term of hard work with the Reception year group show, end of term golden time and the Easter cake competition. As it is, we are apart and it is not certain when we will all be together again.

During this period, we hope you will continue to access the learning materials and links provided for you on the school website:

Infants: <https://www.rokesly-inf.haringey.sch.uk/rokesly-home-learning-page/>

Please also have a go at the art challenge on the Rokesly art page:

Despite there being no Easter cake competition this term, I still want to see your creations (even if I can't taste them 😊). So please send your pictures to the school email.

The best we can do for each other is work together to make sure we communicate, share and care – even when we are apart. Please keep on sending us your pictures - of art and cakes and anything else you want to share - and we will do our best to put them up on the website for everyone to see.

Use your networks to share ideas, have group chats and make sure your friends are not alone.

Stay at home, stay healthy and stay in touch.

Best wishes
