

Dear Green Class,

I can't believe it has already been a week since I wrote to you. The time goes so quickly now! It is probably because the weather is so nice and we can spend so much time outdoors.

I am back to my exercising routine. I have been exercising at home and running. This is my favourite part of my running route- Ally Pally. It is always so lovely there- sunny and quite breezy with a lovely view. I think I also like that part because it is downhill a bit and I get to rest while running!

I had a great weekend meeting my friends in the garden. We haven't seen each other for a very long time. We had a barbeque and spent the whole Saturday in the garden. I was lovely to finally see them!

This week seems to be very busy. Me and Nina went to Ikea yesterday. We looked at furniture for Nina's bedroom. It was fun to finally be able to go out shopping. We haven't bought much though. Just a couple of things and my favourite Ikea's oat biscuits. Nina was very excited choosing her new furniture. We can't buy it yet because first we have to empty her room. It is a big job and we have a lot of sorting out to do!

On the way to Ikea.

On the bus wearing face masks.

I am in school this week getting our classroom ready for your return. We will have a meeting with all the adults working in Year 1 on Thursday. It will be great to see each other again! I am very excited and can't wait for next week!

I hope you are all well and still doing your school work. It is not long now until the summer holidays so keep reading, writing and doing some of the Maths activities. Make sure you also help your parents!

I miss you all very much. Stay safe my lovely friends!

Lots of love to you and your families. Natasza x P.S. Nina and Gary also send their love! x
