Dear Parents and Carers,

### **Year group coffee mornings**

Next half term, we will be inviting parents in to have a coffee morning in your year group. This will be an opportunity for you to have an informal chat, get to know other parents and staff in your year group. See the dates on the calendar below for more information.

### **Maths workshops for Year 2 parents**

We are really excited to be able to welcome you in to our workshops for parents this term. Our workshops give you the chance to learn about how we teach a curriculum area. After half term, Year 2 parents will find out about how we teach maths concepts, then have an opportunity to work with their children to tackle some maths challenges. Workshops are informal and you do not need any particular skill as the activities are set out and explained by school staff. We value your engagement in your child's learning, so please make sure you are able to attend.

YEAR 2 Maths workshops: Tuesday 8th November – Blue class    Wednesday 9th November – Purple class  
Thursday 10th November – Red class

### **School lunch menu**

From the parent survey you have let us know that it is difficult to find the school menu. It is attached to this email and is on the website for your reference.

### **Attendance / Lates**

School starts at 8.55am, we expect all children to be to register at 9.00am.

The playground equipment is not supervised by staff members before or after school. If you allow your children play on the playground equipment, it is your choice and they must be supervised by you at all times.

Sadly, some of the learning resources and storage left outside classrooms has been damaged. Please help us to look after your school's learning resources.

If you need to inform us about a late arrival or absence, please leave a message for the office by selecting option 1. The office cannot admit children during lunchtime so please ensure that your child returns from any appointments before 12pm or after 1.30pm. Thank you.

### **Bright day**

When we return after half term, the winter evenings will be drawing in and we will be concentrating on lighting up the darkness at Rokesly Infants. This week we talked about Diwali and we will also talk about firework night. From Monday 1st November we will be staying safe on the roads on the way home from school by dressing bright and being seen. On **Bright Day** on Thursday 3rd November, we ask all the children to come in wearing their brightest clothes to raise awareness about safety. We expect dayglo, sparkles, reflectors and lights – BE SEEN!

### **Fire evacuation**

Thank you once again for your patience and understanding during our false alarm this week. We were so proud how the children exited the building calmly, and quickly. This was the first fire drill for many of the children. Well Done!

If you are on the school premises when the fire alarm sounds you must make your way to the nearest evacuation point. All children will be taken to the junior playground. The children are our responsibility whilst they are on the site. To ensure that they are safely handed over to you we will always dismiss them from their classroom to you when it is safe to do so.

### **YouChoose assembly**

Our first Wednesday assembly after half term will be a Fox assembly chosen by Zachary in Blue class

### **Parent survey**

Thanks to all those parents who have completed the survey. We really want your views about your school. If you have not completed the survey yet here is the QR code:
