

Hello again Orange class

It was so lovely to speak to so many of you and your families last week. Just hearing your voices put a big smile on my face. I loved hearing about all of the fun things you have been doing at home, and how much work you have been doing! Well done to all of you. I heard that some of you have been having online video parties using zoom, which sounds like it was fun and a bit crazy!

You may have heard in the news that year 1 could be going back to schools in June. We don't know yet if or when this is going to happen. I do hope that I get to see many of you soon, but we must always do whatever is the safest thing for us and our families.

Apart from making the calls home last week, I was also enjoying the weather and going on walks. One night I made lots of sushi which can be tricky because you have to roll the rice and the fillings in a big sheet of seaweed. It was delicious. I also completed another 1000 piece puzzle, this time it was of the flags of the world. Can you recognise any flags in the picture?

I hope you enjoy your half term topic of 'toys', I know you all love to talk about and show your toys so this is your opportunity to include all your favourite toys in your work! Enjoy the weather, make sure you wear sunscreen and drink lots of water.

Lots of love,

Alice xxxxx xxxxx xxxxx xxxxx xxxxx

Birthdays

In half term it will be Daniel's birthday on the 30<sup>th</sup>. We all wish you a very happy 6<sup>th</sup> birthday Daniel and look forward to celebrating when we are all back together.
