

To my dear Orange class,

The weeks are going by very quickly now! I can't believe it has been a whole week since my last update. I hope you have had another good week. I have some questions for you so I can hear about what you're up to at home:

What is your favourite activity to do at home to keep busy?

What is your favourite exercise to do at home?

Have you developed any new skills at home?

What is your favourite book you have read on lockdown?

What is your favourite lockdown snack?

Your parents could email your answers to me and I'd love to see a photo of something you've done at home!

We made pizzas from scratch last week, they were very yummy. Mine had olives, tofu and vegetables on it. I have been planting and growing lots of new things. In the picture you can see a chili plant. I planted it at the beginning of lockdown and it has already grown lots! I have also started crocheting again. I'm not sure what to crochet next, any ideas?

Keep up with your fantastic work. It has been great to see more of you on Purple Mash this week. I have loved reading about your fantastic aliens, seeing your Kandinsky artwork and seeing lots of effort and high scores on the maths games!

I hope you're being very good for your parents and learning how to help out at home. I expect you to be very good chefs, gardeners and cleaners when we get back to school!

Speak to you soon,

Love from Alice xxxxx xxxxx xxxxx xxxxx xxxxx

Tasks – tasks for all of year one are uploaded in a separate document on the Rokesly website now. Please have a look and try as many as you can. They are broken down into days of the week to help you keep some structure. As well as the tasks on there I would also like you to do:

Art – part 2 of Kandinsky's circles. Hopefully you had a go at doing your own version of the artist Wassily Kandinsky's *Squares in Concentric Circles*, and this week I'd like you to have a go at doing it using paints. If you don't have paints at home that is fine, have a go with any other resource. I can't wait to see your final pieces of art!

Birthdays

Unfortunately, we have missed being able to celebrate Scarlett's 6th birthday on Saturday. I hope you had a fun day at home. We will have to celebrate all the missed birthdays when we go back to school!
