

Dear Purple Class,

We all miss you lots and wanted to update you on what we've all been up to!

Duygu says hello, as usual. She has been able to meet her aunt after 3 months and she celebrated her cousin Duygu's birthday. She was so happy! Her cousin supports Spurs just like Duygu and they are looking forward to football starting again. Are you? She also went for a walk in Victoria Park. Tracy went to visit her on Monday and they had fun in her garden.

Tracy saw her grandchildren again this weekend. Jaxs had lots of fun playing in a box. Who needs toys? Her dogs played happily in her garden; Charlie was following Jack. Her husband has been busy decorating and Tracy has been shopping for him.

Last week Pat and her family made their very own BBQ for the first time. It was delicious! In a seed sprouting bag Pat grew some pulses, buckwheat and mustard seeds. She used the sprouts in her salad. Yesterday Pat finally finished the puzzle called the Tree Of Life. This took a while but it was a pleasure doing it. Pat also wanted to find out how you got on finding unusual animals.

Last night, I finally finished all of your reports. It had been lovely to look back at the work that you'd done this year and to review all of the progress that you've all made. The reports kept me really busy, but when it was too sunny and I could no longer look at my screen, I would paint and I've now finished another abstract painting.

Hopefully we'll all see you soon but until then keep up the good work that you've been doing!

Lots of love,
Duygu, Tracy, Pat and Sarah
