Revised November 2021

At Rokesly Every Child Matters In Every Way

The Rokesly Vision...

Our community is warm and welcoming

Learning is fun and fascinating

We celebrate the things that make us special

We challenge ourselves to go further

Aims

We aim to provide a safe, stimulating and welcoming school with a calm, caring and well-ordered atmosphere within a framework of mutual respect. Our mission statement reflects this aim:

At Rokesly, Every child Matters in Every Way

In order to achieve this, all staff must take responsibility for maintaining good behaviour throughout the school and model the types of behaviour set out in the policy.

Our behaviour policy emphasises four main expectations for **all members of the school community**:

- We expect all members of the school community to behave towards each other with mutual respect, consideration and tolerance.
- We expect all members of the school community to encourage children to develop safe behaviour in and around school
- We expect all members of the school community to promote respect for property and the environment
- We expect all members of the school community to model and encourage safe and respectful behaviour in and around school

Rokesly School Rules

We expect children to be **responsible for their own learning behaviour**, to know the school rules and follow them.

The school rules are:

1. We stop, look and listen to each other.
2. We are quiet and calm in class and around the school
3. We always have kind words to others and try not to hurt their feelings
4. We always have kind hands and feet
5. We work and play safely
6. We take care of all the things in our school
7. We always try our best

Rewards and consequences

At Rokesly we expect children to be ready to learn. Through our curriculum and pastoral care, we support children as they develop resilience, emotional maturity and self-regulation. Children should recognise and be responsible for their own behaviour. We reinforce positive behaviour and personal achievement in the following ways:

- Public praise
- Share work / achievement with buddy class
- Work displayed for others to see
- Stickers
- Tell parents/carers
- Certificates
- Visit the head/deputy head teacher
- Certificate in Achievement assembly
- School 'smiley face' trophy linked to behaviour around school, in corridors and at lunchtime
- Class treats linked to class reward systems
- 'Thumbs up' tokens and class award for fair play and sporting achievement

- Lunchtime award stickers given by School Meals Supervisory Assistants (SMSAs)

When children do not follow the school rules the consequences are:

- Reminder of expectation – proxy praise
- Warning (verbal)
- Short time out either within the class or in playground at play/lunch time (it is important that children quickly have an opportunity to return to their learning where they can demonstrate the expected behaviour)
- Short time out in another classroom
- Sent to Head/Senior Leadership Team (SLT)
- Parents notified verbally
- Persistent behaviour will be noted and where no improvement occurs, parents will be invited to meet and discuss additional strategies to improve behaviour

Playtimes and lunchtimes

At playtime and lunchtime we expect children to:

- Play together safely.
- Look after the playground equipment.
- Allow others to get on with their own games
- Stop and stand still when the bell rings
- Walk sensibly to their line and classroom
- Always tell an adult if they feel frightened, sad or angry
- Have respect for SMSAs as the adults in charge during lunchtime

Unacceptable Behaviour

Whilst we think it is very important to support and reinforce positive expectations and achievements, we believe we must also spell out very clearly what is unacceptable. The following unacceptable behaviour will result in more immediate action and will always be reported to parents.

We will not accept:

- Physical violence to another person
- Threatening behaviour including verbal bullying
- **Racist/sexist behaviour/negative attitude to disability – see [Response to racist incidents appendix](#)**
- Bullying
- Swearing/offensive language
- Cyber bullying

Bullying

Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are a *TELLING* school. This means that *anyone* who knows that bullying is happening is expected to tell the staff.

We define bullying as ‘deliberate and persistent intimidation of another person’.

See Rokesly Infant and Nursery **Anti-Bullying policy** for full details.

We would add that cyber bullying will also not be tolerated, for example, sending messages that are unkind via the internet or on mobile phones. (See Acceptable Use Policy)

Procedure for dealing with persistent unacceptable behaviour and incidents of bullying

- Incidents will be recorded
- All incidents will be investigated in a thorough, fair way
- Children and parents/carers should report all incidents to the class teacher
- We will ensure the victim is supported
- Head teacher/member of Senior Leadership Team (SLT) will always be informed
- Class teacher will discuss the incident with the class if appropriate
- We will always inform parents/carers if their children are involved
- If there are further incidents we will expect parents/carers to be involved in discussions about additional strategies to support improvement

- If unacceptable behaviour persists school may take the decision to recommend to parents/carers that their child be put on the special needs register to receive focused individual behaviour targets
- In the event of there being no improvement after all these processes a child could be formally excluded from school for a set period.

Sanctions and exclusions

In order to discourage children from behaving badly we believe it is important to teach positive behaviours. If a child misbehaves staff should ask him/her to stop the behaviour and should discuss the incident involved. Staff should encourage the children to try to resolve disputes themselves and to take responsibility for their own actions. Children also need to know there is a consequence to inappropriate behaviour. In the following tables we have listed inappropriate behaviours and a range of consequences which **may** be used, as deemed necessary. **This list is not exhaustive and gives staff framework for appropriate responses to unacceptable behaviour. Incidents are dealt with on an individual basis.**

Behaviours and possible appropriate sanctions

Response to racist incidents:

Procedures

Report all incidents of racist behaviour to a member of staff as soon as possible.

This could be by:

- Writing a note which can be handed to the class teacher or the office – indicating that it is a racist incident
- Children may make staff aware of an incident by talking to staff or using our confidential 'TALK BOX' system
- Phoning or emailing the school office
- Speaking directly to the member of staff that you feel most comfortable talking to – all of our staff will report and act on your concerns
- Speaking with the class teacher privately and describing the incident
- Telling a senior member of staff e.g. Head teacher or Deputy Head teacher (either on the gate or by making an appointment)

We will ensure that the victim is always supported.

All racist incidents will be recorded on the pro forma and stored centrally.

The racist incident will be investigated quickly.

Parents of perpetrator and victim will be informed.

Action will be taken to address the incident with the perpetrator and to work on helping to change the behaviour

Outcomes

1. The perpetrator will be asked to apologise.
2. Sanctions will be applied (in line with our behaviour policy), where appropriate.
3. The incident will be discussed and any follow up work will be identified.
4. The parent of the perpetrator will be asked to discuss the behaviour with him/her.
5. Follow-up whole class work related to the incident.
6. After the incident / incidents have been investigated and dealt with, each case will be monitored to identify any patterns of behaviour.

Prevention

Our curriculum is designed to foster an ethos of empathy, respect and understanding and to challenge racism.

As and when appropriate activities in school will include:

- Reading and sharing stories relating to difference
- Using topics/stories which reflect our diverse community
- Teaching sessions designed to give children confidence in reporting racist incidents
- PSHE sessions focussed on difference
- Displays reflecting the diversity of the school community
- Using resources / curriculum content that reflect our diverse community
- Inviting visitors such as experts, community representatives and parents in to school as role models

All staff are vigilant with regard to behaviour among children, and will look out for, and respond to, incidents and reported incidents of discrimination.

Please do not be reluctant to report an incident. Please encourage your child to use 'TALK BOX' or talk with an adult that they feel comfortable with. Even small incidents must be dealt with quickly and effectively.

This policy is reviewed annually
