

# Reception Weekly News June 24<sup>th</sup> 2020

Hi there Everyone in Silver Gold and Yellow,

This week we have been continuing with our mini beasts and 'Very Hungry Caterpillar' themes.

We have all been doubling using spots on a ladybird. We have written about mini beasts, made butterflies, and finished our butterfly life cycles, Silver have written their own versions of 'The Very Hungry Caterpillar' whilst Yellow and Gold have been working on sunflowers.

It has been lovely to see more of you back this week. Keep well and stay safe.

Lots of love,

The Reception Team
