

Hello to all you lovely Silver Class children and parents.

I hope that you are all keeping well and managing to have fun!

This week I have been catching up with my reading, doing some knitting, but mainly getting to grips with my garden, which needed a lot of weeding and cutting.

While the weather is still good you could try these nature themed activities suggested by the Woodland Trust. There are activities for everyone, even if you don't have a garden.

See you all very soon,

Love Yael X

Hi everyone in Silver Class!

I hope you're all well and able to have some fun.

So while I've been staying at home, I've been looking after my little girl and teaching her how to use the potty. We've also drawn around the shadows of dinosaurs, made by the sunshine, and have painted a rainbow.

We made a musical shaker out of an old tea box - if you make one too, (you can use any container, the toilet roll tube, a plastic pot) can you work out what makes the best shaker noise? Is it dried beans, rice, pasta or lego?

Then yesterday we made yummy chocolate cakes. Maybe you could try:

I'm missing you all lots, keep smiling and hopefully see you soon.

Love Katarina xx
