

## Hi lovely Silver Class

I hope you and your families are staying happy and healthy, and you all had a wonderful Easter break. I really enjoyed our Zoom call and hope that we can do it again soon!

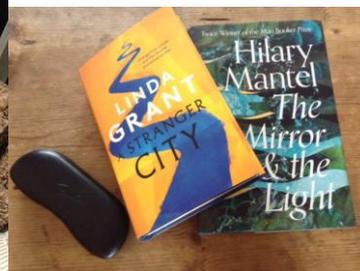

I have been busy in my garden. As you can see there is a lot of blossom as we have many types of fruit trees - Apple, cherry, pear, plum, fig and we also have a cob nut tree. I hope you've been able to enjoy the sunshine. Ted's outside in the garden with one of the butterfly cakes we made.

It was my birthday last week and I made a yummy baked cheesecake. Like Isobel and Thabani, I am a twin. Usually my sister Yona and I spend our birthday together, but we couldn't this year. Instead we shared a video call, which was fun!

I have almost finished the front of the cardigan I am knitting and I have continued with regular Pilates and yoga sessions. I also started a new book, but as it has over 800 pages, so it will take me some time to finish!

I hope to see you all very soon,

Lots of love, Yael XXX

Hi lovely Silver Class children! I hope you and your families are all well.

Whilst I've been at home over the last few weeks I've been busy playing with my daughter. We read *Maisy's bus* and we made an imaginary bus out of chairs and have gone on journeys to the Deep Dark Wood - where the *Gruffalo* lives. We've spent a lot of time playing with her two favourite toys - Owl and Puffin. I also helped her make Elmer the elephant out of a cut-off milk carton and we did marbling paintings using vegetable oil and watercolours. I cut out a butterfly for her to paint and she stuck some petals on it as well. Have you seen any butterflies lately now we have some sunny weather?

Well done if you made an Easter cake! How delicious!!

I miss you all. Take care

Katarina

Hello my lovelies!!

I hope you have all enjoyed your Easter holidays and have eaten lots of chocolate eggs :) I am missing you dearly, I have also eaten my fair share of eggs but also been busy baking cakes and trying out different recipes. My garden is looking a lot bigger after we've cut down a tree- and here is my dog again while we were enjoying the sunshine together.

Lots of love always,

Monique xxx
