

Hello to all Rokesly children!

I hope you and your families are well and enjoying exercise outside in the sunshine, when you can.

This week we have been very busy getting things ready for when more children can start back at school. We have had to make a few changes to make sure we can all stay safe and healthy. School will be a bit different, but we are still all the same, so it won't take much getting used to.

We are all very excited about seeing more of you in school. I know that your mums and dads have been really busy teaching you at home and we are really looking forward to finding out what you have been doing - and being able to help you with your learning again.

This week I have been busy learning how to bake sour dough bread. I am very proud of myself and I think my loaves looked and tasted amazing (I think it might be even better than Caroline's).

We also had family haircuts in our kitchen. It was a lot of fun, but I'm very glad I won't have to see you all for a while my hair grows back!

Birthdays

This week **it was my birthday**, so we had a cake to share that my daughters had made. It was a sponge cake with strawberries. Delicious. The children in school made me a fantastic card and all sang HAPPY BIRTHDAY to me. It was lovely

I missed being able to celebrate my birthday with you. Since my last letter, we have had lots of children with birthdays, too.

Oscar and India in Purple, Alfie and Anais in Blue were all 7. Lauren in Green was 6. Diego in Yellow, Hudson in Gold and Matteo in Silver were all 5.

We can't have a birthday assembly, but I do want to wish everyone a **very Happy Birthday!**

Stay home, stay healthy and stay busy! Keep in touch and I hope to see you all soon, Grant
