

Hello to all you Rokesly children!

I am missing you all. I hope you are well and keeping busy with your learning at home. I have really enjoyed seeing the things you have been up to. I particularly enjoyed seeing your cakes and amazing art.

I had a go at cooking banana cake with chocolate chips in it. I was lucky to get a photo of the last slice before it was all eaten by my family!

Please make sure you keep sending pictures in. This week's art challenge is to recreate a famous art work. You can still do the other art challenges, too.

I have still been cycling in to work at school while you are at home. I have got to see some parents and children, and have bumped into some other friendly faces at the supermarket. On Friday I dropped home the workbooks to some children who were not in school just before the all the schools closed, so it was great to see them and check on how they are doing.

I know that some of you have had birthdays while we have been in lockdown. I hope you still managed to have fun. Happy Birthday from me! My daughter, Bea was 13 on 5th April, so we made a cake together and some of her friends came and stood at the front gate to sing Happy Birthday to her, which was lovely.

When I have been at home, I have been busy fixing things and looking after my garden. I have been growing some seeds and I hope that soon I will have some lettuces and herbs to eat.

Because of the warm weather, my tortoise Maureen came out of her long winter hibernation. She woke up with loads of energy and she was very hungry! She has been enjoying getting into her paddling pool dish and drinking the water.

When I'm not helping my children with all their homework, I have been enjoying playing games, doing tricky jigsaws and reading books. I hope you have been reading and keeping up with your learning online. Make sure you stay healthy and have a daily routine.

Keep in touch and I hope to see you all soon, Grant 😊
