

Hello everyone,

I hope you are all keeping well and busy while you are not at school.

I miss seeing you all but I have seen quite a few Rokesly families when I have been out running, please do give me a wave and a 'hello' if you spot me.

On Sunday my family did the 2.6 challenge, I ran it, my son cycled it and my daughter did a 'plank' exercise for 2.6 minutes – it was fun and we donated some money to charities that really need it at present.

My children are not at school either and they have been doing lots of planting and baking as well as school work. The sunflower seeds are starting to grow well now.

When I am not at school I have been trying to help my son with his schoolwork – I am learning a lot!

We have also been playing games in the evenings, I should have some new ones for games club when we are back at school.

Keep working, playing and doing lots of fun things, I hope to see you soon.

Jill 😊
