

Opportunities for home learning

General skills	Life skills	Art	Just for fun	Maths	Literacy
Can you count in 3s to the number that is nearest 100?	Make a timetable of your day and time some of your activities for example 8am eat breakfast 10 minutes.	Draw your favourite book character.	Can you make a shop in your house? How expensive are your items? What type of shop is it?	Get 12 objects (pencils, kidney beans, etc), if you shared them equally into 4 how and objects would be in each group? What numbers could you use to get equal numbers of 4? Can you show your answers in your book? Tracy says I can share 10 into 4 equal groups. Is she correct? Why?	Listen to chapter 1 of the Iron Man by Ted Hughes. In the chapter it says that the Iron Man's head is as big as bedroom. Can you find 4 object in your house (it could be an adult) as describe them for example, my dad is as tall as a tower. Purple mash: read chapter 1 of 'Pirates of Puddlestone Bay and answer the questions.
How many sit ups can you do in a minute?	Can you cut a sandwich into 3? How can you make each part of your sandwich the same size?	Can you make a collage from scraps of paper in your house?	Design a sandwich and cut it into 3 (1/3)	Can you look at different flags in the world? Which flags have 2 halves of different colours (for example Monaco has one 1/2 red and 1/2 white. Which countries have 3 colours (1/3) each? How many have 4 colours 1/4? Can you draw some of the flags and write the fraction of each equal part that is coloured in next to it?	Listen to chapter 1 of the Ironman again. Can you think of words that make you think of a noise and write one word under the other to create a poem? Purple mash: Read chapter 2 and complete the follow up exercise.
How many press ups can you do in a minute?	Can you think of something that is a challenge for you and work on it? For example, tie you shoe laces	Find some things from your house like cereal boxes and make an iron giant.	Make a home for the Iron man from sheets, blankets and so on and invite your family to play with you.	Can you draw a square and divide it into 4 equal parts. Colour in one part on e colour and the rest another colour. Write the fraction for both shaded parts. For example: 2/4 is shaded in and 2/4 is not shaded. Can you think of another way to write 2/4? Why?  Can you draw more squares and shade	Listen to chapter 1. Complete a comic strip of the first chapter.  Purple mash: Read chapter 3 and complete the follow up exercise.

				different boxes for example 1? What would be the fraction? Do the same for 3 out of the 4. Can you do the divide a rectangle into 3 equal parts? How would you write the fraction?	
If you had 50p which coins could you have? What is the fewest amount of coin/coins could you use? Can you show at least 5 ways to make 50p? Can you do this for £1 or £2?		Find a picture from an artist and draw a similar picture. Some suggestions, Mondrian/ Georgia O'Keeffe	Make an Ironman mask.	Draw two large rectangles and cut them out. Fold one once so that you have 2 equal halves. Fold the other twice so that you have 4 equal parts. Get 8 beads (or any objects). Share the beads equally on the first rectangle so that each half has 4 beads. Then write $\frac{1}{2}$ of 8 is 4. What is a $\frac{1}{4}$ of 8? Find a $\frac{1}{2}$ and $\frac{1}{4}$ of these numbers, 16, 24, 28, and 32. Can you find $\frac{1}{3}$ of 9, 12, 18 and 99? What would be $\frac{2}{3}$ of 9, 12, 18 and 99?	Listen to Chapter 1 again. What question would you like to ask the Iron man? How, where, what, who, when... how many different question words can you use?  Purple mash: Chapter 4 and follow up questions.
Can you make up a dance for your favourite song? Record it and share it.	Can you cut along some shapes that you have made? How straight is the line that you have cut?	Make a sculpture from natural objects and take a photograph.	Purple mash: Imagine you are a surgeon. Use the mash cam to take a photo and who would you be making better?	Purple Mash Fractions in 2Do. If I ate 1 and a half biscuits what would that look like? Draw pictures for the following. 3 and a $\frac{1}{2}$ . 5 and a $\frac{1}{2}$ , 6 and a $\frac{1}{4}$ , 7 and $\frac{2}{4}$ and 3 and $\frac{3}{4}$ .	Can you tell me about a book that you have read this week? Use Purple Mash to write a book review.

There are several activities that have been set as to dos in Purple Mash so please continue to look at these. Some activities have been set for different days. Continue to work on your multiplication, division, addition, subtraction and shape names and properties.

Continue to write a sentence from one of your reading books at least 5 times everyday remembering to hold your pencil correctly and join your writing if you have been in class Espresso is great for remembering to start at the top and remember we only use capital letter at the start of the sentence or for names.

Don't forget to read as many books as you can and it would be nice if you can write a book review each week and we can share these when we return to school. Also don't forget to do lots of movement so that you keep fit. Make up and dance ad record it we can share these when we get back to school. Can you plant a seed or bulb and keep a diary of the changes that you see?
