

Hello Lovely Yellow Class!

It looks like we are not going to be back at school for a while longer. I know you have all been doing your best and I'm very proud of you.

Geraldine and Nelly are in lockdown together. You know that they can find sharing a bit tricky but they're mostly having fun. They can't wait for you to share your learning with them.

They say "hello".

I had to drive to Glasgow to collect Lily from University. It was a very long drive and I was a little bit nervous. There were lots of trucks on the road delivering food and equipment. Sometimes there was hardly any traffic on the road at all and for a while I had the motorway all to myself!

The rape seed was a vibrant yellow, the heather gave the mountains a lovely glow and there were lots of lambs in the fields.

I am glad to have Lily home with me and Mia. We are going for walks together, eating nice dinners, playing board games, Frisbee and Football as well as sorting out lots of arguments!

Stay safe. Love from Saffron xx

Hi there Yellow class children and families,

I hope you are all keeping strong and healthy.

I am continuing to do the Joe Wicks PE sessions every morning. I am also making sure I get a good night's sleep. It is important to get a good night's sleep and eat healthily during these unusual times. Make sure you eat a good breakfast, don't think it doesn't matter because you are at home!

I am trying to go out for a walk or run every day, even if it's just for a short time. This week I am going to walk to Highgate Woods to see the bluebells, which everyone has been telling me about. The blossom on the trees is also beautiful, perhaps you can draw or paint a picture; remember we did that in school a few months ago?

I am missing you all very much. Love From Marisa xx
